Toddler Pacers Kindergym Program

3 years – 4 years

Partial parental/carer participation is required for this class (if needed).

This program has been designed for children aged between 3 and 4 years and has been founded on early childhood development principles. The “**Toddler Pacers Kindergym**” program is designed as a bridging class between our “**Nappy Chasers Kindergym**” and “**Preschool Racers Kindergym.**” This program helps with the separation process which is required to participate in a “non-parental” class. Our program's main focus is based on the three principles of childhood fitness, Strength, Endurance and Flexibility. This is achieved through giving children the opportunity to be active on trampolines, foam pit, balancing beams, soft play equipment, rings, bars, ropes and fun hand held equipment such as hoops, ribbons, balls and much more. As well as physical development this class encourages social/emotional development enhancing self-esteem, confidence, positive attitudes, turn taking and sharing skills.

Our Early Childhood staff members are accredited with Gymnastics Australia and our programs are affiliated with Gymnastics Australia’s LAUNCHPAD program ensuring your child receives and participates in quality, high standard, educational programs. All our Early Childhood programs have been based on child development principles guided by the KinderGym Australia guiding principles.
