

PLEASE NOTE: Each active enrollment will continue for the entire year. Monthly charges will apply on the 1st day of each month calculating how many lessons are available during that month. If you do not wish to continue with the enrollment you must notify the front office or reception in writing with a one month notice.

Boys & Girls Yellow Squad Artistic Gymnastics Program

This program is for boys and girls selected out of other SCGA programs to start training for the Artistic competitive stream of gymnastics. We have many competitive disciplines here at SCGA which consist of WAG programs (women’s artistic gymnastics), MAG programs (men’s artistic gymnastics), TeamGym programs, FreeG programs and GFA programs.

South Coast Gymnastics Academy WAG & MAG competitive program is a well-established program with gymnasts up to level 10+. An increased level of commitment is required if you wish for your child to enter this program. Due to the fact they will be learning more challenging skills in a fast tracked program, they need to work on developing strength and flexibility to promote their skill level. It is likely that they will stay in this Program for at least 12-24 months or more before entering the next squad.

The decision to accept an invitation to this program is up to you and your child. If your child begins these classes and finds they do not suit them they are welcome to transfer to another program where they still have the opportunity to compete at other competitions.
