Advanced FREE G

Free G or freestyle is a term used to describe a new and rapidly developing activity which encourages participants to use traditional gymnastics equipment in new ways. It draws on influences from gymnastics, martial arts, free-running, parkour, tricking and break-dance. This program has been developed to facilitate the safe development of the activity within the confines of a recognised gymnastics environment.

Within a Free G class, participants find new and creative uses for traditional gymnastics apparatus, combining different apparatus into a series of obstacles. Many familiar gymnastics skills have been modified to increase difficulty, or include a new take on technique, and a variety of new skills have been developed within this discipline.

The Advanced Free G class is designed for advanced level skills for children aged 7 – 16 years old. This is an extension on the intermediate skill based lessons to include tricking with more difficulty, connection skills, apparatus work, timed obstacle courses, aerial awareness, precision and technique.
